Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant, by the undersigned attorney hereby makes Notice of Appeal in the above-referenced case responsive to the Examiner's Final Action mailed on 12 July 2007.

The Honorable Commissioner of Patents and Trademarks is hereby authorized to charge Deposit Account 18-2011 for the Notice of Appeal filing fees in the amount of \$255.00.

It is to be understood that the undersigned attorney will be requesting a refund of the Notice of Appeal filing fees (as well as the Extension of Time filing fees being filed concurrently with this Notice of Appeal) due to the fact that the above-referenced patent application was placed in condition for allowance with the Response to the Final Office Action filed on 30 July 2007. The Examiner has

Reply to Office Action dated 7/12/2007

indicated that there was an indication of allowability, however, due to the fact that the USPTO clerical staff gave this application a status of "Interference--Initial Memorandum" (seen on the PAIR system), apparently the status does not allow the Examiner to enter anything further (Examiner's explanation to the undersigned attorney).

Thus, this Notice of Appeal is only being taken in order to maintain the patent application in a pending state while allowing the clerical staff at the USPTO to try and correct their clerical error.

Respectfully submitted,
